*Water and Waste Operators Association
of Maryland, Delaware and District of Columbia*

To the members of the WWOA Association:

Because of the disaster that has hit Haiti and the subsequent need that it has brought about, the Executive Board of the WWOA voted to send a \$1,000.00 donation to the Red Cross for Haitian Relief.

This donation to the Red Cross will help to bring clean water and sanitation facilities to the people of Haiti in their time of need. The need for clean water and sanitation will be an ongoing need for Haiti and our work in the Water and Wastewater field will be of use and encouragement for them.

Thanking you,

Janet E. Owens, Secretary, WWOA
