**THE WATER AND WASTE OPERATORS ASSOCIATION
OF MARYLAND, DELAWARE, AND DISTRICT OF COLUMBIA
AND THE CENTRAL SECTION**

The W.W.O.A., along with The Central Section of the WWOA, will hold a joint spring regional meeting on April 29, 2009. This meeting / tech. sessions will be held at the Ferndale Volunteer Fire Hall located in Linthicum, Md. (Directions on reverse side). A business meeting will be held and followed by technical sessions. Lunch will be a buffet style on site consisting of delicious, traditional catered fare.

Registration begins at 8:00 am, and will include coffee and donuts. An agenda appears below. Technical sessions will be submitted for T.R.E. approval.

Technical Session (AM) – “**Polymers / Coagulants and Phosphorous Removal**” presented by Mr. Joe Shemanski of Delta Chemical. (approx. 2 hours)

Technical Session (PM) - “**Advanced Process Control in Activated Sludge Plants**” presented by Messrs. Tilo Stahl and Matt Gray from BioChem Technology Inc. . (approx. 2 hours)

Executive Board Short Course Scholarship drawings will be held at this regional. We do **not** require your attendance, but you must fill out an entry form and return it to be entered.

Pre-Registration for the meeting will be \$25.00 for members, which includes the meeting, tech. sessions and lunch. For those attending the business meeting and technical session only, there will be a fee of \$5.00. Non-members add \$20.00 for annual association dues. Registration will be accepted at the door for \$30.00 (members) \$50.00 (non-members).
